Where We Live

ESTABLISHMENT

Clemson College became a reality Nov. 27, 1889 when the Senate and House of Representatives of the State of South Carolina drew up an Act of Acceptance of the will of Thomas Green Clemson. Clemson gave his Fort Hill Estate to the state for the establishment of an agricultural and mechanical college. Mr. Clemson himself was a distinguished scientist of his day and served as the nation's first superintendent (now secretary) of agriculture. He married the daughter of John C. Calhoun, the noted Southern statesman. Calhoun's home stands restored on the Clemson campus today.

LOCATION AND SIZE

The college is located in the northwestern corner of South Carolina, 30 miles from the foothills of the beautiful Blue Ridge Mountains on Highways 123, 76 and 28. The college has grown from an institution of 446 students when it opened its doors in 1893 to the present day enrollment of 3,850. The campus proper contains nearly 30,000 acres.

THE ACTING PRESIDENT

Robert Cook Edwards became acting president of Clemson this past June when a sudden heart attack proved fatal to Dr. Robert Franklin Poole, who had been president of Clemson for 18 years.

Mr. Edwards at the time of his appointment was head of the college's Department of Development.

A native of Fountain Inn and a 1933 graduate of Clemson, he came back to the school July 1, 1956 after being general manager and treasurer of Abbeville Mills, Corp., for 10 years.

Prior to this he had been with Duncan Mills in Greenville for a year and then spent three years with the Charles D. Thomas Co., in Red Springs, N. C., after which he was superintendent of ABERFOYLE, Inc., at Norfolk, Va., for six years.

PHYSICAL PLANT

There has not been a time in the last seven years that some type of construction has not been going on on the Clemson campus. Starting with the building of the Clemson House in 1951, better than a building a year has been occupied since then. Latest additions to the campus have been a structural science building and an 18,000 enlargement of Clemson Memorial Stadium. Ground will be broken this fall for a \$1,200,000 chemical engineering building.

EDUCATIONAL DIVISION

The college's main divisions include the Schools of Agriculture, Architecture, Engineering, Arts and Sciences and Textiles. Graduate work can be obtained in all of the schools. Twenty-nine undergraduate curriculums are offered in the five schools.

About The Coach . . .

Frank Howard is currently in his 19th season as head coach of the Tigers, and before this string of seasons started, he was line coach for nine years. Howard came straight here from graduation at the University of Alabama and has never left.

Howard is one of the most successful coaches in the nation. In 18 seasons the Tigers won 98, lost 65 and tied 10 and four times have gone to major post-season bowls. In eleven of the 18 years at Clemson, his teams have been .500 or better clubs.

"The Baron" stuck to the single wing formation during his first 22 years as head man, but in 1953 switched to the "T". After a dismal 3-5-1 season that year, the Tigers began to catch on to the new style of play and since then have been 5-5-0; 7-3-0; 7-2-2; and 7-3-0. Since the Atlantic Coast Conference was formed in 1953 the Tigers are 13-8-1 in league play and 29-18-3 overall.

When Howard isn't coaching he's usually conducting a clinic somewhere or speaking to various clubs throughout the nation. His past summer was highlighted with a trip to Europe where he held a clinic for the armed services.

The Chiquola Manufacturing Company was founded in 1902. Through constant adoption of new ideas, new methods and modern machinery it has continued to grow and play an important part in the industrial progress of South Carolina.

During this long period of successful operation under the same management, Chiquola has produced more than ONE BILLION YARDS of cotton fabrics; it has purchased more than SIXTY-FIVE MILLION DOLLARS worth of cotton from the farmers of the South; it has paid MILLIONS of dollars in taxes to the City, County, State, and Federal Governments; it has donated thousands of dollars to schools, churches, orphanages, and charitable organizations; and last but not least, it has paid more than THIRTY-FOUR MILLION dollars in wages to the hundreds of fine people who have been on its payroll over the years.

Former CLEMSON MEN occupy important positions in our management and we are fully cognizant of the important part this outstanding institution is playing in the development of the South through the education of our leaders of tomorrow.

When autumn leaves are falling and the strains of "Tiger Rag" resound from the hills of the Blue Ridge, we lend our voice to the plaudits of the multitude with that old familiar refrain, "GO-TIGERS-GO."

1958 Rules Changes

by Charles W. Tucker, Jr.

Among the several rules changes this year, the one that will undoubtedly come as the greatest surprise, is a change in the scoring. In the memory of most of us, there has never been a change in the points allowed for a touchdown, field goal, safety or point after touchdown. This year the score boards will take on a new look as a result of the decision of the rules committee to alter the rule governing the attempt to score after touchdown. Two points will be allowed for rushing or passing the ball and one point will be allowed for a place kick or drop kick. The feeling here is that this will definitely liven up a play that has heretofore been rather routine and dull. Occasionally there was a fake kick which added some color to the play but in most cases the expert in place kicking was sent into the game and it became routine. It will be my guess this year that the team that scores first will have to go for the two points to protect their lead and you will see some very imaginative football on this play.

To examine this rule a little more closely it reads this way—on the conversion after touchdown, two points will be scored if the try results in what would have been a touchdown, one point will be scored if the try results in what would have been a field goal or safety. Now the last part of this statement has caused quite a few raised eyebrows. How can a try for point result in a safety? Well that is a good question and here is an example of how it could happen. Let's say Team A on the point after touchdown decides to rush the ball. Team A player gets to the one yard line and fumbles the ball across the goal line into the end zone, he tries to recover it for the score and is held by a Team B player. Well you know that a foul such as this would give Team A the ball at the spot of the foul. A touchdown could not be awarded on such a foul but the rule states that the penalty for a foul committed when the ball is free which would leave the ball in Team A's possession behind Team B's goal line shall be a safety. If this play occurred during the game it would score two points.

While we are on the subject of the point after touchdown, let me point out another change in the rules this year. You will recall, in the past when a touchdown was scored, the ball was always placed on the two yard line for the try for point. This year the ball will be placed on the three yard line.

Other rules changes that will be noticed this year are—

NUMBER OF FREE TIME-OUTS ALLOWED EACH TEAM DURING EACH HALF REDUCED TO FOUR

In the past each team was allowed five free time-outs in each half so they will have one less in each half this year.

A PLAYER IS ELIGIBLE TO RE-ENTER THE GAME ONCE DURING ANY PERIOD

Last year only the player who started the period could re-enter during the same period. This is a definite liberalization of the substitution rule and may tend to bring back the platoon system of football as any player may go in and out of the game eight times during the afternoon. This will also help to give a player a "breather" and still get him back in the game during the same period which should have a tendency to cut down on injuries.

ON KICKOFF OUT OF BOUNDS BETWEEN THE GOAL LINES, UNTOUCHED OR LAST TOUCHED BY TEAM A, TEAM B HAS OPTION

Last year if the kicking team kicked off out of bounds between the goal lines or the ball was last touched in the field of play by Team A before it went out of bounds, the ball was kicked off a second time. If the same thing occurred again, Team B was awarded the ball on their restraining line which was ten yards in advance of the previous kicking spot. This year Team B has the option of either taking the ball at the spot where it went out of bounds or having Team A kick it off again at a spot five yards behind the spot of the previous kick.

IN OFFENSIVE BLOCKING THE OPPONENT MAY BE CONTACTED WITH ONLY ONE ARM AND HAND AT ANY ONE TIME.

Last year an offensive blocker could use both arms as long as his hands were in contact with his own body and the block was below the shoulders of the opponent. It was found that this type of stand-up block could be brutal and in an attempt to eliminate some of the abuses of this block, it is now restricted to the use of one arm with the hand in contact with the blocker's body.

PRIVILEGES OF TEAM A PLAYERS ON PASS PLAY CLARIFIED

When the ball is snapped, offensive linemen, who are ineligible receivers, may charge into opponents and drive them back providing that contact is established at a point not more than one yard beyond the line of scrimmage. If this contact is lost, these linemen must remain stationary at the spot until the pass is thrown. Last year these linemen could not go downfield until after the ball had been touched.

Today's Game - - -

The lead in the Atlantic Coast Conference is at stake today. The winner between Clemson and Wake Forest moves into the driver's seat. Clemson is there at the present moment with a 3-1 mark in conference play. A win for the Country Gentlemen would move them one step closer to the title. Wake Forest, tied with South Carolina with a 2-1 family advantage, could go ahead of the Tigers with a triumph but might have to share the top with the Gamecocks should they beat Maryland.

The Tiger-Deacon series started in 1933 and has been going on ever since with the exception of 1934 and 1952, the latter being when Clemson was on bowl probation. After the first 16 games the teams claimed eight victories each. Since 1950 the Tigers have won seven straight and lead the setto, 15-8.

When the first game between the schools was played Jim Weaver, present ACC commissioner, was head man of the Deacs and Jess Neely, now of Rice, was with the Tigers.

Next came the famed Douglas Clyde (Pea-head) Walker. He stayed at Wake from 1937 through 1950, and against Neely he was 0-4. Then Coach Frank Howard moved to the helm of the Tigers and Wake began to catch up. In his last 10 seasons with the Baptists, Peahead had a 7-3 mark against Howard and Howard says that's the reason Peahead stayed around so long. . . "They were about to let him go," Howard remembers, "after Coach Neely beat him four straight times and I beat him my first year, but then he took six straight from me and that's the only thing that saved him. But then he lost two out of three and he was gone."

Tom Rogers held the Baptist reins from 1951 through 1955 and Clemson copped four straight there and Paul Amen has dropped his two meetings with the Tigers.

But regardless of the coach, history shows there has been plenty of scoring. Clemson's average per game is 16.5 points and Wake's 10.2.

This is the Wake Forest Chapel as seen through the arch in the student center on the campus at Winston-Salem, N. C., home of the Deacons since 1956. Prior to this time the Baptist school was located on a 600-acre site in Wake County, just outside of Raleigh. Players in the insets are, top left, end Bobby Allen; bottom left, halfback Kenny Ferrell; right, top to bottom, end Aubrey Currie; guard Tom Spicer; and center Karl Munn.

Another one of the beautiful buildings on the Wake Forest campus is the Z. Smith Reynolds Library, shown above. Players on the page are, starting in the lower right corner and reading clockwise, guard Bruce Smathers, halfback Jim Dalrymple, halfback Buster Ledford, tackle Frank Thompson, end John Niznik, center Buck Jolly, fullback Neil MacLean, and halfback Winston Futch.

Highest Awards . . .

The Clemson College press box high atop the south stands in Clemson Memorial Stadium received the two highest awards of the Football Writers Association of America last year. The association awarded the college certificates "for its outstanding press box working facilities" and "for the exceptional service to the working press."

We are grateful for these two awards. With our new press box for the 1958 season, we hope to improve both our facilities and service to those who come to cover our home ball games.

Shown below is the citation for "exceptional service". The other award is similar in looks. Once awarded, the citations stand permanently unless rescinded for some reason.

In judging a modern filter cigarette...

IT'S WHAT'S UP FRONT THAT COUNTS

R. J. REYNOLDS TOBACCO CO., WINSTON-SALEM, N. C.

"Winston has got it," says Garry Moore, "because Winston's got a secret! It's **Filter-Blend**—fine, mild tobaccos specially processed for filter smoking!"

"A cigarette without flavor is like a world without women. Who wants it?" says the star of Winston's television hit, "I've Got a Secret!". "After all, if you don't get flavor . . . you're missing the whole idea of smoking!"

"Winston has got flavor! Because up ahead of Winston's pure modern filter is **Filter-Blend**—a Winston exclusive! This secret — **Filter-Blend** — is what makes Winston America's best-tasting filter cigarette. Try Winston!"

America's best-selling filter cigarette!
